Dear Shri Mataji:

I am pleased to send greetings and congratulations to you as you celebrate your 87<sup>th</sup> birthday. I was delighted to be informed of this happy and notable occasion by Mayor Bloomberg of New York City.

Our world has changed dramatically since the time of your birth. You have been witness to both historical and political changes, as well as technological advances which have enhanced our quality of life. While your own contributions to the field of health through meditation have changed the lives of millions, your life-long selflessness has touched the hearts of so many more.

As you pause to celebrate this special milestone in your life and look back fondly over the years, know that your endearing love and kindness have been an inspiration for generations. May you reflect upon a lifetime of accomplishments with pride and fulfillment.

Once again, Shri Mataji, I congratulate you upon celebrating your 87<sup>th</sup> birthday and wish you continued success, good health, and happiness in the years ahead.

With kind regards, I am

Sincerely,

You have truly reached a significant milestone in your life and you should be proud of all that you have accomplished. Your longevity is a true testament to the quality of life you have led and I am certain that you enjoy many wonderful memories. Cari amici e care amiche,  
pochi giorni ci separano dall'appuntamento elettorale e questo <sup>mi</sup> richiede di dare il massimo per vincere questa nuova sfida. Ringrazio molto la Fondazione Mondiale Shri Mataji Nirmala Devi Sahaja Yoga per l'invito a prendere parte a questo incontro e mi dispiace non poter essere con voi, ma so che ci unisce il desiderio di far crescere una comunità sociale coesa e responsabile, in cui prevalga il rispetto per le persone e per l'ambiente che ci circonda.

E' un onore per noi che Nirmala Srivastava e la sua famiglia abbiano scelto proprio la nostra regione e la val Borbera come sede di questa prestigiosa Fondazione che, oltre ad attrarre e far conoscere i nostri territori a più di 15 mila persone ogni anno, è anche luogo di meditazione, di studio e di formazione per giovani piemontesi e non.

E' un luogo per noi molto importante perché qui si lavora per un reale incontro e coesione tra persone che provengono da mondi ed esperienze estremamente diverse tra loro, alla ricerca di un benessere interiore che non può che costituire il fondamento del benessere dell'intera comunità. Siamo convinti - e nel nostro programma elettorale lo abbiamo ribadito con forza - che in una comunità regionale in cui tutti, uomini e donne, abbiano l'opportunità di coltivare ed esprimere in ambito lavorativo, sociale e personale il proprio talento, ovvero il potenziale che contraddistingue ogni essere umano, cresceranno felicità personale, coesione sociale e sviluppo economico; una società, invece, che non sappia riconoscere e valorizzare talenti e potenzialità si avvia verso la conflittualità interna e lo spreco di risorse anche economiche.

Per questo e per le potenzialità di sviluppo futuro, abbiamo inserito la Fondazione tra le iniziative a sostegno dello sviluppo del turismo religioso che possono beneficiare di contributi pubblici.

Rivolgo i miei migliori auguri a SHRI MATAJI per il suo ottantasettesimo compleanno e un buon Convegno a tutti e tutte coloro che hanno scelto di essere qui oggi.
